5.0 Summary of Audit Results

5.1 Audit Summary and Recommendation for Certification

This report details the audit results including strengths, opportunities, and weaknesses. These results were presented to your management at the closing meeting of the audit. You can use these results to improve the effectiveness of your management system. We look forward to continuing our partnership towards sustainable business success.

In reference to MS 2530-4:2013, the audit team recommends to DQS:

- Issuance of the certificate
- Issuance of the certificate as soon as implementation of corrective actions has been demonstrated
- Maintenance of the certificate
- Maintenance of the certificate as soon as implementation of corrective actions has been demonstrated
- Not applicable, due to extraordinary type of report

Please remember to notify DQS about any significant change to your management system at your earliest convenience. Together we will then coordinate appropriate measures to maintain your current certification.
