"I enjoyed the course content and the instructor. Lonnie was very thorough and pleasant."

**ISO 9001 Executive
Overview Course**

"I want to start by expressing how pleased I was that Lonnie was not simply reading the slide decks to the class. His experiences and lessons learned were also very valuable. DQS clearly has a wealth of experience and knowledge to draw on when conducting these trainings..."

“The course covered everything that was planned and expected and then some. DQS Academy was represented in the highest fashion by instructor Subrata Guha. He was friendly, respectful and extremely passionate about his class and his job and job history. The knowledge he passed down to us was taken well and we hope to apply it during all of our internal audits going forward here at [company].

DQS Academy Testimonials

“The training materials as stored in the DQS Academy portal were complete and easy to access. It is one of the best structure training portal by a training provider. The trainer, Lonnie is an excellent trainer and deliver a balanced training method of experience and knowledge. Over the last 24 years of completing training courses, this is one of the best, if not the best training courses I have completed. DQS Academy is off to a great start to being an excellent training provider for some of the most difficult subjects.”
